Information regarding embryo transfer at Bar Y Equine

- ♦ Bar Y Equine will *return the deposit on the recipient mare the following year, after foal is weaned, when the mare is returned to Bar Y Equine in satisfactory condition.
- ♦ A fee of \$375.00 is charged per embryo flush after the first embryo flush is performed.
- ♦ Boarding and veterinary expenses for the recipient mare begin the day an embryo has been successfully transferred to the recipient.
- ♦ If two or more embryos are recovered from one embryo flush, a stud fee is payable for each embryo successfully transferred.
- ♦ The Donor Mare must be enrolled annually in the embryo enrollment program with AQHA
